

Walk title/location	New Forest: Ober Heath
Why this walk is a favourite	<p>This circular walk begins Ober Heath, heading north-east across open fields before entering a mixed woodland of beech, oak, and pine. The route winds through shaded forest paths, where dappled sunlight filters through the canopy and birdsong accompanies the walk. After emerging from the trees, the path loops back across gently undulating terrain to complete the circuit.</p>
Start and finish points	SU 28466 03564 SO42 7SW
Distance in miles	5.3
Key viewpoints	Close to Brockenhurst where there are pubs, tea shops, etc.
Parking/public transport	Free car park
Level	Easy
Accessibility	No stiles.
